#### Bill Deal & The Rhondels (Heritage 812)

*I've Been Hurt* (2:10) (Low-twy, BMI - Whitley)  
The backup sound of their "May I" hit gives Bill Deal & The Rhondels new side the same rough-edged muscular drive that propelled the group to best-seller fame; and this solid follow up adds even more vocal fuel to bring home a winner. Teen track with the act's uniquely bold approach and powerful sales in store. No flip information.
